COUNTY AND CITY ADMINISTRATIVE UNITS

County units are listed alphabetically and are printed in bold face capital letters. City units are listed alphabetically under the counties in which they are located and are printed in bold face capitals and lower case letters.

Under the heading "Accreditation Status," a capital "E" represents elementary accreditation by the State; "S" represents secondary accreditation by the State. An asterisk (*) by the E and/or S indicates that these schools are also accredited by the Southern Association of Colleges and Schools.

Schools are listed according to code numbers and alphabetically. See page . . for further explanation of the code numbering system. An alphabetical index of all public schools with code numbers starts on page . . . .

CODE NUMBERS FOR NORTH CAROLINA SCHOOL ADMINISTRATIVE UNITS

North Carolina has 38 partial county units, 62 total county units, and 52 city units. Code numbers listed below are arranged so that city units follow the county units in which the city unit is located. All statistical data are compiled independently for the 152 units, and it is necessary to add city unit (s) data to the containing county when it is desired to obtain county totals rather than administrative unit totals.
